Dear Brian:

The Postal Service has enhanced its Human Capital Enterprise System (HCES) to allow for the management of information concerning Executive and Administrative Service (EAS) detail assignments, including allowing such information to be sent to data applications such as HERO and eAccess.

As part of the subject enhancements, certain employees detailed to EAS positions will be able to view information concerning their detail assignment, including career development, learning activities, and training associated with the detail assignment.

Please contact Bruce Nicholson at 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alan S. Moore".

Alan S. Moore
